

19-inch wall-mounted enclosure Basic (5U)

roline[®]
Designed for Professionals

Data sheet

The wall-mounted enclosures in the RO-LINE Basic series are perfect for housing active and passive components. They stand out from many other enclosures thanks to their simple and, above all, time-saving installation. Thanks to their modern design, they blend harmoniously into any office or home.

Characteristics:

- Load capacity: 30 kg
- Housing can be opened up to 80°
- 1-point locking
- Integrated door stopper mechanism
- 19 inch installation options:
 - 3U vertical (rotatable),
 - 2U horizontal (fixed)
- max. installation depth: 265mm
- Pre-punched cut-outs for cable routing
- Ventilation slots for passive ventilation and extraction
- Base plate with punched mounting holes
- IP protection class: IP20
- Mounted: Yes
